TECH CENTER 1600/2900

<b>INTERVIEW SUMMARY</b>  Address to: Mail Stop Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450	Attorney Docket No.	BEAR-008
	Confirmation No.	1010
	First Named Inventor	ROWE, PETER
	Application Number	09/700,696
	Filing Date	June 12, 2001
	Group Art Unit	1631
	Examiner Name	MARTINELL, JAMES
	Title:	"NOVEL POLYPEPTIDE HORMONE PHOSPHATONIN"

Sir:

The undersigned attorney called the Examiner Martinell at the Patent Office on October 16, 2003 in order to inquire with respect to the status of the application. Examiner Martinell indicated that no preliminary amendment had been received and that the claims in the possession of the Patent Office were original claims 1-40. In that applicants had filed a preliminary amendment it appears as though such may have been misplaced in the Patent Office. Examiner Martinell indicated that he would consider such when receiving our response to the outstanding Office Action and if further rejections were to be made would make an attempt not to make the rejection a final rejection.

No substantive matters were discussed and no agreement was reached with respect to any of the claims.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-0815, order number BEAR-008.

Respectfully submitted,  
BOZICEVIC, FIELD & FRANCIS LLP
